

IMMUNIZATION COALITION OF LOS ANGELES COUNTY (ICLAC)

General Session Meeting Schedule

2017

Description: ICLAC meetings are held three times a year in the months of March, July, and October. The primary purpose is to bring together representatives from diverse organizations across Los Angeles County from schools, hospitals, clinics, health department programs, vaccine companies, and health plans to exchange information on best immunization practice approaches to improving immunization coverage levels in Los Angeles County. Other immunization discussion topics include LA County vaccine-preventable disease (VPD) surveillance updates, ICLAC Workgroup updates, and immunization policy updates. Meetings are held at the Center for Healthy Communities, California Endowment unless otherwise specified.*
